

Rotary Club donates to MLH

SUBMITTED PHOTO

Rotary President Wayne Jacobsen (left) recently presented a cheque for \$500 to Blair Chapman, president of the Margaret Laurence Home. These funds will be used to help cover the costs of replacing the home's roof. A total of \$16,000 of their goal has been raised, with another \$24,000 still needed. Chapman offers his thanks to all those who have donated, however donations are still greatly appreciated and can be accepted by mail to Box 2009 in Neepawa. A return address must be provided to receive a charitable donation receipt.
